

HEATHERDALE ANNOUNCES CLOSING OF \$5.4 MILLION PRIVATE PLACEMENT

April 15, 2021, Vancouver, BC – Heatherdale Resources Ltd. ("Heatherdale" or the "Company") (TSXV: HTR) announces that it has closed its previously announced private placement of common shares (the "Offering"). A total of 6,747,500 common shares (the "Common Shares") were sold at price of \$0.80 per Common Share, for aggregate gross proceeds of \$5,398,000. The proposed name change will follow shortly.

The net proceeds of the Offering will be used to fund exploration activities on the Company's Niblack Cu-Au-Zn-Ag project located in Alaska, property acquisitions and working capital purposes.

The Company paid aggregate finder's fees of \$110,280 and issued 137,850 share purchase warrants (the "Finder's Warrants") in connection with subscriptions from subscribers introduced by certain finders. Each Finder's Warrant is exercisable to acquire one share in the capital of the Company at an exercise price of \$0.90 per share until April 15, 2022.

Certain insiders of the Company acquired 12,500 Common Shares pursuant to the Offering. Such participation is considered to be a "related party transaction" as defined under Multilateral Instrument 61-101 ("MI 61-101"). The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101, as the fair market value of the participation in the Offering by insiders does not exceed 25% of the market capitalization of the Company, as determined in accordance with MI 61-101. The Company did not file a material change report more than 21 days before the expected closing of the Offering, as the details of the Offering were not settled until shortly prior to closing and the Company wished to close on an expedited basis for sound business reasons and in a timeframe consistent with usual market practices for transactions of this nature.

The Offering remains subject to final approval of the TSX Venture Exchange. The Common Shares and the Finder's Warrants issued under the Offering are subject to a statutory hold period of four months plus one day.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Heatherdale Resources

Heatherdale Resources Ltd.'s founding vision is to be an industry leader in transparency, inclusion and innovation. Guided by our Vision and through collaboration with local and Indigenous communities and stakeholders, Heatherdale builds shareholder value through our technical expertise in mineral exploration, engineering and permitting. The Company holds a 100% interest in the high-grade Niblack copper-gold-zinc-silver VMS project, located adjacent to tidewater in southeast Alaska. Cautionary Note Regarding Forward-Looking Statements:

This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking statements relate to future events or future performance and reflect the expectations or beliefs of management of the Company regarding future events. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as “intends” or “anticipates”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would” or “occur”. This information and these statements, referred to herein as “forward-looking statements”, are not historical facts, are made as of the date of this news release and include without limitation, statements regarding the use of proceeds of the Offering. These forward-looking statements involve numerous risks and uncertainties and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things, receipt of regulatory approvals of the Offering, market volatility; the state of the financial markets for the Company’s securities; and changes in the Company’s business plans. In making the forward looking statements in this news release, the Company has applied several material assumptions that the Company believes are reasonable, including without limitation, that required regulatory approvals will be obtained and the Company will continue with its stated business objectives. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial out-look that are incorporated by reference herein, except in accordance with applicable securities laws. The Company seeks safe harbor.
